Pete Wagner
Regional Administrator
Boise DEQ Regional Office
1445 N. Orchard
Boise, ID 83706

Dear Pete:

Based on the Idaho State Legislature's decision to put the DEQ in charge of air quality in the State and the fact that DEQ has designated the Treasure Valley for air quality emission testing, the City of Kuna will defer to the DEQ to carry out whatever plan it deems necessary for air quality control issues.

Sincerely,

J. SCOTT DOWDY, Mayor
